

Microwaveable Bowl

Supplies: Two 10" squares of fabric

Two 9" squares of microwaveable batting (ex. Wrap n Zap)

Lay a batting piece on wrong side of a fabric piece.

Draw lines from corner to corner making an X on the batting.

Draw lines from middle to middle making a + on the batting.

Sew the batting and fabric piece on drawn lines. (All lines and both pieces)

Make darts on the middle to middle lines. (the lines made with a +)

Set darts 1" across and 2 1/2" long.

Sew 4 darts. Cut off excess from darts.

Do the same to the other batting and fabric piece.

Sew the pieces right sides of fabric together matching darts using a 3/8" seam allowance leaving an opening.

Turn right side out. Topstitch. Press. Enjoy.
